MEMORANDUM FOR THE RECORD:

SUBJECT: Restoration Costs

1. Today at 1:30 p.m., I met with [REDACTED] C/RE/RECD/OL, and discussed in general the Agency's role in restoration costs. Specifically, I asked if the Agency had a legal obligation to fund for restoration costs for space given up, and was there any known history of restoration payments having been made.

2. It appears that the subject of Agency participation in restoration charges had arisen on a couple of occasions but that no final restoration charges resulted. [REDACTED] will recall the [REDACTED] file from archives in order to review this case.
