MEMORANDUM FOR: Deputy Director for Central Intelligence  
FROM:   
Acting Director, Office of Legislative Liaison  
SUBJECT: Increased Compensation for DCI and DDCI  
in the FY 1985 Intelligence Authorization Bill

STAT

1. Concerning your inquiry regarding the proposed promotion of the Director (DCI) and Deputy Director of Central Intelligence (DDCI) in this year's Authorization Bill, this change is being accomplished by amending the various lists of positions which are compensated at Levels I, II and III of the Executive Schedule. As you know, the DCI is currently included in the list of positions which are compensated at an annual rate of basic pay at Level II of the Executive Schedule. The DDCI is compensated at an annual rate of basic pay at Level III of the Executive Schedule. Our proposed provision in this year's Authorization Bill would elevate the DCI to the list of positions included within Level I of the Executive Schedule. It would correspondingly include the DDCI in the list of individuals compensated at Level II of the Executive Schedule. In order to conform the Level III listing from which you are being removed, it is necessary to strike the position of DDCI from this listing of positions, since the DDCI will be included in schedule II under our proposed amendment. A copy of the listing of current positions compensated at Levels I, II and III of the Executive Schedule is attached for your review.
