STAT

Attached for your information and review is a copy of S.2110, the Retirement Equity Act of 1983. All Congressional offices on the Hill are closed down for the holiday season so I am unable to get all of the historical information about the Bill now. I will obtain this information after the first of the year and provide it to you directly. In the meantime I thought that you would be interested in substantively reviewing this Bill to see if it had any impact on the Agency.

I will provide the additional background information on this Bill as soon as it is received.
