Changes*

CENTRAL INTELLIGENCE AGENCY  
WASHINGTON, D.C. 20505

Office of General Counsel

18 February 1983

NOTE FOR:   
Chief, Retirement Affairs  
Division

FROM:   
Legislation Division

Adele:

In keeping with our telephone conversation of this morning, I am sending to you portions of the Department of State's draft Bill which I would appreciate you reviewing for any possible problems, or benefits which CIA should seek to obtain. I will be calling you next week to discuss these provisions. Please let me know if there are any other provisions listed in the table of contents which you would like to review.

Thanks so much for your help.
