

7 May 1982

NOTE FOR: Executive Director

FROM:

Chief, Legislation Division, OGC

SUBJECT: Confirmation Hearing

STAT

1. The Congressional Record indicating Senate receipt of your nomination is attached.

2. According to Rob Simmons, the plan to hold a closed session prior to the open confirmation hearing is designed to deal with any questions that may arise in connection with the statement about your career requested in Senator Goldwater's letter of 3 May. Rob feels it would be better to dispose of any such questions in a classified setting prior to the open hearing, so that you do not appear to be reluctant to answer any questions in this area publicly. It is possible, however, that your negative answers with respect to your knowledge of certain programs will obviate the need for the closed session.

3. Cas Yost, Mathias' Legislative Assistant, will be at your meeting on Monday. Yost says that Mathias is scheduled to leave on a foreign trip on 27 May, the day of the open hearing, but that the departure time is not yet set. Mathias will probably tell you that he will do the introduction if he can.

CONGRESSIONAL RECORD — SENATE

S 4737

ceived by the Senate from the other body sometime next week; and the Voting Rights Act extension, which has been ordered reported from the Judiciary Committee, and it is the intention of the leadership to call up as soon as feasible and practical after it is reported and reaches the calendar.

So there is much work yet to be done by the Senate before our Memorial Day recess. If we dispatch this work quickly and efficiently, I hope that we might increase and enlarge the Memorial Day recess by a few days. I will confer with the minority leader from time to time on that subject and make a final and firm announcement on those plans at the earliest possible date so Senators can make their arrangements.

Mr. President, on Monday next, notwithstanding that the schedule is uncertain, it is hoped that worthwhile business can be cleared for action on both sides. One resolution that we were unable to clear this afternoon dealt with the situation in the South Atlantic. That may or may not be available for action on Monday, but Senators should be on notice of that possibility.

RECESS TO MONDAY, MAY 10, 1982

Mr. BAKER. Mr. President, I see no other Senator seeking recognition. If no Senator now seeks recognition, I move, in accordance with the order previously entered, that the Senate stand in recess until 12 noon on Monday next.

The motion was agreed to; and, at 6:54 p.m., the Senate recessed until Monday, May 10, 1982, at 12 noon.
