- Attached is a draft memo from me as Chairman, ECS concerning those items on which unilateral action can be taken. DDA, and particularly, OP instructions on which Agency-wide guidance is required will also be implemented.
- As ExDir, to attempt to ensure that the right hand knows what the left is doing, I've sent to D/OP a copy of the attached and the DDS&T and DDA responses to your request for an action report within two weeks. I have not yet seen the DDI or DDO responses but they too should/will be seen by D/OP.
