Dear [Redacted]

Enclosed is a copy of the winter 1975 issue of FAR Horizons, which features the annual article on Government agency obligations for foreign affairs research.

You may recall that in November 1974 we asked you to review automated data which we had compiled from previously submitted information for your agency's FY 1974 obligations. The approved figures were used to prepare the 1-year funding table on page 2 and the 5-year table on pages 4 and 5 of the newsletter.

Thank you again for your assistance in supplying the needed information. We hope that you'll find the FAR Horizons article interesting.

On a personal note, and as I move to my new assignment as the State Department Faculty Representative for the Foreign Affairs Executive Seminar, I appreciate your cooperation and that of your staff during the 6 years that I have been in the Office of External Research. I may well be looking to you for help and support in my new position which I assume on May 26. The new deputy director has not as yet been named.

Sincerely,

Idris
