MEMORANDUM FOR: CIA Coordinator for Academic Affairs

25X1 FROM:

[Redacted]

Chief, Planning Staff  
Office of the Executive Director

Subject: IC Staff Proposal on Funding International Skills

On 17 May I met with [Redacted], the new Director of the Office of Planning in the IC Staff, and [Redacted], one of his assistants. [Redacted] passed out the attached list of participants in an 11 March 1982 conference on development of international skills which I understand you attended. [Redacted] said there was a proposal to seek ways establishing and funding new institutes for region studies and this might involve overt Intelligence Community funding of such activities. I noted that there may be some security problems and public relations problems with this approach but said that I would pass this on to you and ask that you contact [Redacted] for further details. I noted to [Redacted] that you were the proper point of contact in CIA for such matters and that I would relate this to you.
