

5 March 1979

MEMORANDUM FOR: Associate Director-Management, NFAC

SUBJECT : Approval for Outside Lecture

STATINTL

1. I request approval to present a lecture on Indonesia to a group of geography students at George Mason University on 2 April 1979. The lecture is part of a course titled "World Food and Population in Geographic Perspective." The course is taught by Professor Alice Andrews, [REDACTED]

STATINTL

2. The lecture will discuss several aspects of Indonesia's food problems including marketing, production, distribution, land tenure, and government policy. Material for the lecture will be drawn exclusively from unclassified sources and personal observations.

3. Agency affiliation will be acknowledged but only my personal views will be expressed. Neither the Agency's interest in food/population nor its role in policy support will be discussed. There will be no remuneration for the lecture.
