STATINTL

Dear [Redacted]

We sincerely appreciate your participation in the group interview segment of the 1980 Hope College Washington May Term.

The quality of this course is entirely dependent upon the willingness of individuals such as yourself to spend some of their valuable time with a group of students. Our interview at the CIA was most informative. My conversations with participants indicate that the interview led to a greater appreciation of the agency's role in U.S. national security.

Your contact with our students is not only commendable but also an effective means by which they may improve their understanding of our governmental system.

Again, thank you for your time and best wishes in your new position.

Sincerely,

Renze Hoeksema JH

Dear Jack:

As always, we would be delighted to meet with your students. Tuesday, 20 May, between 1:00 and 2:00 sounds fine.

I will need the names of all those attending as well as either date and place of birth or Social Security numbers by 6 May. I don't know if our ruling on US citizens only will cause your group a problem, but I am sorry to say it is still in force.

If you have any problems please contact me or my secretary, Jean, on

Hope to see you on 20 May.

Sincerely,

Associate Coordinator for
Academic Relations and
External Analytical Support

Dear [REDACTED] STATINTL

This letter is to request that you participate in the 1980 Hope College Washington, D.C. May Term Program.

The Washington May Term course involves group interviews with a number of persons at two to four organizations involved in a particular area of public policy. We have found that this gives students a feel for the issues and an appreciation of different viewpoints.

The eleven student participants in the May Term travel to Washington, D.C. for three weeks of these interviews. The group primarily includes sophomores and juniors with majors in political science, although a variety of disciplines are represented.

At present we are planning to look at U.S. intelligence needs as one of these policy areas. We would like to visit and interview at your organization's Washington office from 1:00 p.m. to 2:00 p.m. on Tuesday, May 20, 1980. If this time and date are convenient, please call or write a confirmation to my address below. I then will contact the appropriate person at your office to finalize arrangements. If this time conflicts with your schedule and you would like to arrange an alternate date, please let me know as soon as possible.

Thank you for your consideration of this request and I know the group hopes to be able to visit your office.

Sincerely,

Jack E. Holmes
