Dear [Redacted]

STAT

We sincerely appreciate your participation in the group interview segment of the 1982 Hope College Washington Honors Semester.

The quality of this course is entirely dependent upon the willingness of individuals such as yourself to spend some of their valuable time with a group of students. Our interview at your headquarters on January 12 was excellent. Thank you for coordinating our visit. I am sorry that you were ill and that we could not meet you again. I hope that you are well and that we may see you in May.

Your contact with our students is not only commendable, but also an effective means by which they may improve their understanding of our governmental system.

Again, thank you for your time and we hope to see you in the future.

Sincerely,

[Redacted Signature]

Dear [Redacted]

STAT

I am happy to be able to report to you, in response to your letter of November 4, that one of our senior briefing officers will be able to meet with students from the Hope College Washington Honors program on January 12, 1982 from 10:45 to noon. We have been unable to confirm availability of a conference room as yet but I remain optimistic that I can find one. I should have final word on the room early in December. Unless you hear from me to the contrary at that time, I shall plan to meet you at the entrance to our headquarters building at 10:45 on the 12th and will conduct your group to a small theater for the briefing.

I've enjoyed meeting with the students from Hope College in the past and look forward to greeting this new group. Rather than brief them myself, however, I think they will profit most from exposure to one of our professional briefing officers. In addition to explaining about the Agency's role in the nation's security program, he will allow plenty of time for questions from the audience. From my observations, I believe him to be very knowledgeable, highly articulate, and able to establish good rapport with college students. In short, I think you will enjoy the briefing.

If the above is satisfactory to you, please confirm the arrangements by calling me or my secretary [Redacted]

Dear [Redacted]

This letter is to confirm your participation in the group interview segment of the Hope College Washington Honors Semester.

One of the public policy areas we are looking at in this year's program is C.I.A. resources and our intelligence needs. My records show that we are confirmed for Tuesday, January 12, 1982, from 10:45 a.m.-12:00 noon in Langley. Please contact me as soon as possible if your records do not indicate a confirmed visit for this time. If our records are in agreement, no action is needed.

Our group of seventeen students and myself are looking forward to visiting your office, and I will make contact with you after I arrive in Washington on January 2.

Thank you for your participation in our program.

Sincerely

STAT

Dear [Redacted]

STAT

This letter is to request that you participate in the group interview segment of the Spring, 1982 Hope College Washington Honors Semester.

The group interview segment of the Washington Honors Semester involves daily interviews with a variety of persons at two to four organizations involved in a particular area of public policy. We have found that this gives students a feel for the issues and an appreciation of different viewpoints.

The seventeen student participants in the 1982 Washington Honors Semester spend the semester in Washington and have two six-week internships in addition to three weeks of interviews interspersed throughout the semester. The group includes juniors and seniors with majors in a variety of disciplines.

At present we are planning to look at C.I.A. resources and our intelligence needs as one of these policy areas. We would like to visit you in your office or a convenient meeting room from 10:45-Noon on Tuesday, January 12, 1982. If this time and date are convenient, please write a confirmation to my address below. I then will contact the appropriate person at your office to finally confirm arrangements. If this time conflicts with your schedule and you would like to arrange an alternate date, please let me know as soon as possible.

Thank you for your consideration of this request. I know the group hopes to visit your office.

Sincerely,

STAT
