1.	EO/DDA	9 JUN 9 1982	n/6	AM	<p>Attached herewith is a copy of the revised draft of the OS input to the National Security Study Directive #2/82 on Counter-Intelligence. The revision includes the DDS&T contribution. The paper has been submitted in a draft format per the request of [redacted] of the DO. [redacted] will integrate the draft into a consolidated Agency paper which, in turn, will be consolidated into a Community paper.</p> <p>I have spoken to [redacted] regarding the adequacy of the attached papers in fulfilling his requirements for the EXCOM paper. He thinks the papers are well done and in general fulfill his needs. He would, however, like the presentation to be shortened. I will work with OS and OC on doing so.</p> <p>Additionally, I feel that an attempt should be made to include more "best guess" as to <u>what will be needed in the 1985-1990 time frame</u> and more balance between <u>what</u> we will need and <u>how</u> we will proceed. Aside from these minor problems of format and topical emphasis, I feel the papers adequately address the right problems, over the right time frame, and with a broad enough coverage to fulfill the purpose of the exercise.</p> <p style="text-align: right;">STAT STAT</p>
