There will be a meeting of the DCID 1/2 Committee on Tuesday, 20 March at 0945 at the Community Headquarters Building. At this meeting we will review the final section of the collation of DCID 1/2 and NITs and NITs gaps guidance. (A copy is attached for those members who were unable to attend the meeting this morning.) We also plan to review Treasury's proposal, coordinated with Commerce and NSA, for changes in the priorities for topic 4.5.1 to reflect the removal of the reference to financial transactions from that topic's definition.
