MEMORANDUM FOR THE DEPUTY DIRECTOR, CENTRAL INTELLIGENCE

SUBJECT: NSA Participation on the Science and Technology
Advisory Panel Planning Group (STAP) -
INFORMATION MEMORANDUM

Thank you for inviting NSA to have a representative on the STAP Planning Group. I believe it will be mutually beneficial to take advantage of all the exceptional S&T talent available to the community. I look forward to our direct participation and the opportunity for closer interaction with STAP.

I would like my Chief Scientist, [redacted] to represent NSA on the STAP Planning Group. His oversight and guidance of S&T at NSA should provide the kind of interface that we need. This should result in an improved community-wide understanding of some of our most challenging problems and consequently greater opportunity to identify solutions.
