Summary of IG/CI Meeting2 March 1984*Rm. 6W02, [redacted]

25X1

1. The meeting was convened at 1000 hours by the Chairman, Judge William H. Webster. The Chairman stated the meeting was being held to allow the IG/CI to receive a briefing from the Director of the Office of Foreign Missions (OFM) concerning the progress of that office in implementing the Foreign Missions Act (FMA). [redacted]

2. The Chairman stated that before receiving the OFM briefing, he wanted to introduce one other item for discussion. The issue involved the report requested by Congress from the State Department concerning reciprocity and equivalence of Soviet and Soviet Bloc country representation in the US with American representation in those countries. He referenced a letter from the National Security Council which had been disseminated to IG/CI members and which suggested that a coordinated Intelligence Community response be prepared addressing the State Department draft of the report. Judge Webster indicated he felt such a coordinated response would be beneficial.

Mr. Kenneth deGraffenreid, NSC, stated he concurred and that the IG/CI should have input in the State paper and have an opportunity to address the issue of reciprocity. [redacted]

25X1

Mr. Lucian Heichler, State Department, stated the draft of the report had been provided to six agencies and that a meeting was scheduled for 1600 hours, 5 March 1984, at the State Department to discuss the draft with these agencies. [redacted]

25X1

Discussion was held concerning the possibility of holding the meeting early in the day due to schedule conflicts of some of the participants. Mr. Heichler stated he would see if the meeting time could be changed. [redacted]

25X1

Mr. John Donnelly, OSD, stated DoD had received the State Department draft and that the response was being prepared by those in DoD involved with policy rather than those involved with counterintelligence. [redacted]

25X1

Mr. Edward O'Malley, FBI, stated he felt a coordinated response was necessary and that, at the same time, agencies involved could provide State their individual responses to the draft. He asked if the Community Counter-intelligence Staff (CCIS) felt they had sufficient time and material to

prepare a Community-coordinated response. [redacted] Chief, CCIS, stated the response could be prepared by the CCIS but it would not be possible to have it completed by Monday, 5 March 1984. The IG/CI agreed that a coordinated response to the State Department draft report should be prepared by the CCIS. A "strawman" draft will be prepared and coordinated by the CCIS by 7 or 8 March 1984. The draft of the Presidential guidelines governing the operation of the OFM has gone to the NSC. The issue of selection of future Directors and Deputy Directors of OFM has become confused. The language stating qualifications of future Directors is so limiting that only an estimated 75 current and 75 retired foreign service officers meet the requirements. This,

5. The meeting adjourned at 1045 hours.
