NIC # 03635-84

NOTE FOR: The Director
FROM: David Gries *av*
SUBJECT: Senator Hawkins

1. OLL has contacted Senator Hawkins' office to make an appointment for the briefing you offered.
2. Attached are the most current materials on Afghanistan and Pakistan with pertinent portions marked in yellow. We have no evidence that the Soviets are equipping labs.
3. As noted this morning, I see no way that we can release the Cuba paper to Senator Hawkins. I have just reviewed all versions of this paper and find them equally sensitive. As an alternative, I recommend that we offer Senator Hawkins a full briefing on the Community's analytical conclusions regarding Cuban involvement.
