Dear Mr. Strawderman,

This is a request under the Freedom of Information Act for all Executive Registry entrys for the years 1978 to the date of the release of the information to me. In order to ease your administrative burden, the Executive Registry is generally described as follows: it is that Registry which logs all records that go in or out of the Office of the Director of the Central Intelligence Agency and that Registry or Registries that log all records that go in or out of the Office of the Deputy Director of Central Intelligence.

STAT

I request, in addition, the appointment log of the Director of Central Intelligence, William Casey, from the start of his tenure through the finish of his tenure or the date upon which the appointment log or calendar is furnished to this requester.

I request that the CIA furnish me wit- an estimate of the search and copying fees that may be levied for this request, and for an estimate of the month of release.

STAT

[Redacted]

I have been granted a fee waiver. I will be happy to supply you with those documents granting me fee waivers, or to submit for your inspection documentation for my fee waiver, if that would ease your administrative burden. In the meantime, pending your estimate of fees, I am reserving my right to request such a fee waiver for both search and copying costs.

I request a response within ten working days. Much thanks for your considerable efforts in response to my other correspondence. I hope your Thanksgiving holiday was a good one.

Best,
