Dear John:

Attached is a letter and resume of a doctor who is interested in CIA employment.

Dana Mead, who forwarded the resume, is a former Army officer, USMA professor, and White House staffer from the early 1970s. I don't believe he would offer us a wooden nickel.

If you see fit, you might pass the resume to your personnel office.

Sincerely,

WILLIAM E. ODOM Major General, USA ACofS for Intelligence

Honorable John N. McMahon Deputy Director of Central Intelligence Washington, D. C. 20505

Dear Bill,

You are the highest ranking intelligence type I know -- notice I did not say you have the rankest intelligence -- so I'm passing this along to you for some action.

The attached resume is from a major customer of mine

history and good language proficiency. He is very interested in either the CIA or State Department. Although I have not met him, he appears to be someone who would be very useful in either of these organizations in the research or analysis areas.

Could you please pass this along to someone who could give this serious attention.

Thanks.

Sincerely,

DGM:mr Att. STAT
