Dear Mr. Mazzoli:

I very much appreciated the opportunity to talk with you last Wednesday on our FOIA relief Bill. I am delighted you agree that we need this relief and also agree that we should get this Bill out early on.

I have looked into the application for employment by [redacted] law school senior. Our Personnel people tell me that they are in touch with [redacted] that the processing of his application is well under way, and that a final decision should be made early on.
