Dear Distinguished Friend,

You are cordially invited to attend a Sunday brunch and seminar on December 9, beginning at 10:30 a.m. through 2:00 p.m. The seminar, entitled "The Nuclear Balance: Challenge and Response" is sponsored by CAUSA International. CAUSA is an educational organization that examines alternatives to Marxist ideology.

The scheduled speakers include: Dr. Robert Jastrow, founder and past director of the Goddard Institute for Space Studies, Dr. William Van Cleave, director, Defense and Strategic Studies Program at the University of Southern California, and Dr. Joseph Churba, president of the Center for International Security.

Dr. Marcelo Alonso, executive director of the Florida Institute of Technology, Research and Engineer will moderate the session.

Inasmuch as space is limited and a large turnout is anticipated, advance notice of your attendance is necessary. The seminar will be held at the Crystal Gateway Marriott, 1700 Jefferson Davis Hwy., Arlington, VA (703) 920-3230.

A nominal admission cost of \$5 to defray the expense of the brunch is payable at the door.

We hope you will find time to attend and hear these respected authorities speak on this important issue.

To confirm your reservation, please call (202) 529-7700 from 9-5 p.m.

Sincerely,

Antonio Betancourt  
Secretary General
