

7 January 1987  
MLD-7001

MEMORANDUM FOR: Director, Foreign Broadcast Information Service  
FROM : Chief, FBIS London Bureau  
THROUGH : Chief, Operations Group  
SUBJECT : Monthly Report - London Bureau - December 1986

I. GENERAL

- Good man. 2  
worked with him  
in 1980/81. J.E.*
1. The BBC Monitoring Service announced on 12 December the appointment of Barry Whitehall, present Head of Overseas Administration at Bush House and former BBCMS Head of Personnel and Administration, as BBCMS Deputy General Manager in early 1987 and that of Kevin Corrigan as acting Head of Personnel and Administration for 3 months effective 5 January to fill the vacancy created by the retirement of A.M. Stevens.
  2. The New Year will not only bring forth many resolutions but also witness the birth pangs of Internet. During the month the bureau completed all installation and inhouse testing of Internet equipment, with appropriate personnel being trained in operating procedures. FBIS engineering tests of Internet signals between the bureau and Independent Hill are scheduled for 7 January. Actual regularly scheduled transmission of programs will begin on 12 January, with the initial three programs (BBC news, Independent TV news, Soviet Vremya) being intercepted off Intelsat by Langley TVRO for direct input into the Headquarters TV grid. Alert and operational procedures for bureau transmission of ad hoc television programming are being coordinated with Headquarters.
  3. At bureau request, the BBCMS agreed to conduct a 2-week survey beginning 6 January of West European television on satellite using the 10M Roset dish. Soviet pressfax during this period will be taken exclusively from the 14W Soviet satellite using the 2M dish at Caversham. The Monitoring Service has committed itself to regular coverage of Tripoli television in the near future as well as the future possibility of Lisbon TV news coverage. Further efforts to determine likely candidates for coverage and/or Internet transmission are the subject of ongoing BBC/bureau discussions.
  4. On 1 December congratulations were received from Chief, Operations Group on the bureau's 45th anniversary. The message noted the bureau's fine performance in maintaining its solid reputation of operational excellence built up over the years.

## II. OPERATIONS

### A. Monitorial/Editorial

1. Bureau editors were quick to realize the importance of a short Tehran IRNA English item on 10 December identifying Ayatollah Montazeri as "the spiritual leader of the Islamic revolution," sending the item immediate and highlighting the title usually reserved for Ayatollah Khomeyni. Recognizing its mistake, IRNA quickly transmitted a correction changing "the spiritual leader ..." to "the future spiritual leader ..."
2. As part of the extensive orientation/briefing program actively promoted by bureau and BBC management, BBC trainee duty supervisor [redacted] received on 21 December a 1-day briefing on bureau editorial operations. As part of the program, all new BBC monitors are given a bureau briefing by the chief editor. In return, the BBC briefs all new staff and associate editors. During the month individual 1-day briefings on BBC operations (library, SWB, listening room, newsroom) were conducted for editors and associates who had not yet had the opportunity. STAT
3. An 11 December message from Chief, Operations Group expressing his and high-level consumer appreciation for BBC/EAU/bureau reportage on Sudanese affairs was passed to the bureau's BBC colleagues.

### B. Communications

On 1-2 December Communications Unit Deputy Chief [redacted] and Shift Supervisor [redacted] attended the annual Croughton ASC seminar on ASC functions and operations. A report on the seminar was forwarded to Headquarters. STAT  
STAT

### C. Lateral Services

On 1 December London Embassy Consular Officer Lawrence Mandel requested any information the bureau might have on changes in the Soviet emigration law rumored to have been reported on Moscow radio and published in the Soviet press. PMU quickly responded by providing a multitake text of the changes. Mr. Mandel expressed his appreciation for the quick and thorough response.

### D. Technical

1. A power surge during the evening of 12 December damaged the bureau's automatic routing devices on the 9GWA Autodin terminal. Following standard operating procedures, communications personnel quickly switched to [redacted] dedicated B672 terminal until bureau technicians could clear the faults the next morning. STAT

2. Chief, FSB/FED expressed Headquarters appreciation early in the month for the bureau's quick response in providing a spare Frederick 1403 reader power pack to Swaziland Bureau, whose unit had been damaged by a severe electrical storm. The damaged unit is being returned to London for repair and retention.

### III. ADMINISTRATION

#### Personnel

1. Making for a Merry Christmas thanks to combined efforts by the bureau and Headquarters, late in the month PMCD approved upgradings of two teletype operator positions to shift supervisor level.
2. On 24 December Headquarters approved a bureau recommendation to follow local embassy holiday leave/pay practice, thereby establishing a uniform policy for all bureau FBN employees whose regular day off may fall on a scheduled holiday. A bureau notice will be issued clarifying bureau premium pay practices.
3. Pressfax operator [redacted] was promoted to FBN-6 effective 8 December and converted from contract to indefinite appointment. STAT
4. Teletype operator [redacted] was promoted to FBN-7 effective 8 December. STAT
5. PMU media analyst [redacted] was promoted to FBN-9 effective 4 January. STAT
6. Teletype operator candidates [redacted] have completed the preemployment processing and will enter on duty in the January/February period, thereby bringing the Communications Unit up to strength. STAT

### IV. VISITS

Mercifully the month of December proved to be a respite from official visitors even though some 49 managed it during 1986. The New Year may bring forth an even greater number of travelers as the sound of itineraries being prepared in Headquarters can even now be heard in London Bureau.

V. COMMUNITY ACTIVITIES

The bureau Christmas fete was ~~committed~~ again on 19 December. Numerous revelers feasted on traditional holiday delights while those so inclined stomped to the live and loud sound of the Country Network playing our favorites poignantly rendered in country-western style by a steel guitar, mouth organ and mechanical beater.

YAHOO!  
mjl

STAT  
don't believe  
CIA enjoyed  
it!

choice of  
verb quite  
understandable!
