MEMORANDUM FOR: Chairman, Fine Arts Commission  
FROM : John F. Blake  
Deputy Director for Administration  
SUBJECT : Fine Arts Commission Business

1. I appreciated your memorandum of 6 August 1976 and have looked for persons to add as members of your Commission. Attached is a biographic profile on one of our Security Officers who has expressed an interest in joining your group. If I hear of anyone else, I will let you know.

2. Your plans for the appearance of the small North Courtyard sound great. We will, of course, give our full support to [REDACTED] and the Garden Club. As you know, limited financial assistance is available through the Office of Logistics and more specifically Logistics Services Division here in the Building. Please contact Mr. [REDACTED] in connection with this. I am sending a copy of both your memorandum and this memorandum to him for his information.

3. Not only I, but the Agency as a whole, appreciate the part you and the Fine Arts Commission play in beautifying our surroundings. Please let me know if there is any other way in which we can provide help or assistance.

[REDACTED]  
John F. Blake
