20 December 1966

MEMORANDUM FOR: Executive-Director Comptroller

Red:

1. Status of the Allen Dulles placque.

A. Heinz Warnecke has had several sittings with Allen Dulles and has prepared a placque in clay. He has the size and shape he wants and has tested it in the entrance way. He is quite satisfied with his work in this regard.

B. He feels the placque should be made of marble rather than bronze and to this end we have provided him with samples of marble similar to the wall which he will chip away at to see if it is suitable.

C. I have provided him the following inscription for planning purposes.

Allen Welsh Dulles
Director of Central Intelligence 1953-1961

This Headquarters was his concept and
under his guidance was built.

D. I have asked him to submit the cost price for delivery of the completed work to the building to include cost of marble and his own fee.
