For your review and comments by COB 27 March 1978.

Page 22, Section 4 c., "Dissemination to Agencies Within the Intelligence Community" does not allow you to release for the release of information attendant to background investigations for security clearances, and could even preclude the release of personnel/employment information.

(Dissemination of CI related information appears adequate for our needs.)

* This oversight would appear to be a cross-the-board to all government agencies.
