OGC has sent to us for review a copy of DoD's voluminous draft procedures for EO 12036 implementation. With a few exceptions it appears unlikely that these procedures are of interest to Offices of the Directorate. However, we are sending to you a copy of the Table of Contents and will provide a copy of the draft documents to you at your request. This will provide an opportunity to involve offices which have an interest in the DoD procedures to participate in the review. Please call for a copy of these draft procedures.

If we are to comment, please telephone us to express your specific concerns and/or problems by COB 28 March.
