Report of the DCI's Nuclear Intelligence Panel
13-14 September 1984

Your Nuclear Intelligence Panel (NIP) met on 13-14 September 1984, and received briefings on and discussed the following subjects (in addition to several other current items and updating on selected topics):

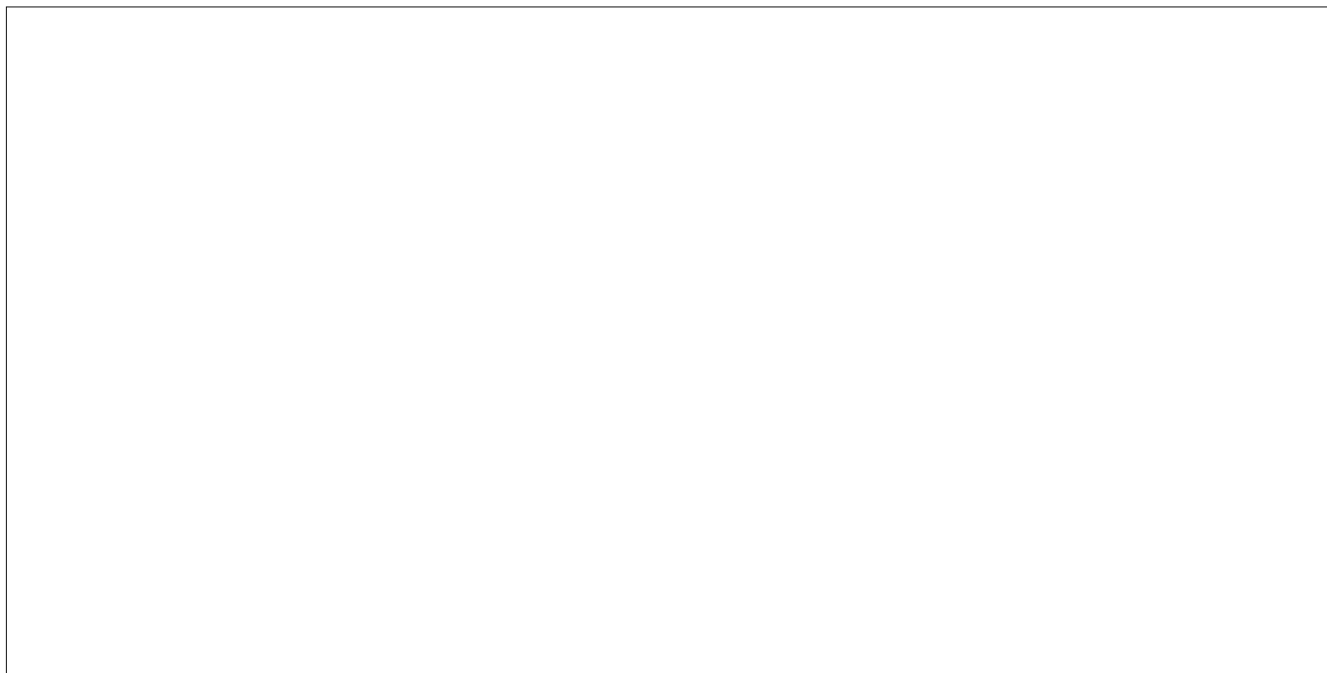

25X1

The NIP received reports from subpanels which convened prior to this meeting and dealt with subjects b and c above. The agenda for the Panel meeting and list of members in attendance are attached. (U)

Comments, conclusions and recommendations of the Panel, including those discussed with you on 14 September 1984, are, with one exception, as follows. Those relating to a special collection subject are provided in a separate memorandum. (U)

Collection

The Panel came to the conclusion that many important pending questions will require new sources of data if answers are to be found. Therefore, the Panel recommends that collectors throughout the community be urged to increase the resources devoted to collection against nuclear requirements. (S)

Future Meetings

The next Panel meeting is set for 20-21 March 1985, with the agenda expected to include among other items:
