Mr. Ralph James  
Administrative Director  
Advanced Management Program  
Harvard Business School  
Glass Hall  
Boston, Massachusetts 02163

Dear Mr. James:

STAT It is a pleasure to support [redacted] attendance at  
Harvard's Advanced Management Program. At CIA we continually  
STAT evaluate the quality and utility of senior training courses and  
the capability and potential of our candidates. In this case the  
fit is apt: we have the highest regard for the Advanced  
Management Program and for [redacted]. I have no doubt he will  
benefit from the program and that he will contribute to it in the  
best tradition of CIA. As you can see from his application  
(forwarded earlier) he has a record of solid performance with us  
in a variety of positions.

The contribution he has made over the past four years, in a  
particularly key position, has been outstanding. I note,  
incidentally, that he is moving back into line management so he  
will undoubtedly bring a fresh set of management problems and  
insights with him to Cambridge in September.

I look forward to his return.

Sincerely,

[Redacted signature box]

Executive Director
