6 which the Secretary of Defense shall prescribe by reg-
7 ulation under this section.

8 “(11) Except as provided in subsection (e), costs
9 for travel by aircraft to the extent that such costs
10 exceed the amount of standard commercial fare for
11 travel by common carrier between the points involved.

12 “(e)(1) Subsection (b)(11) does not apply if travel by
13 common carrier at standard fare—

14 “(A) would require travel at unreasonable hours;

15 “(B) would excessively prolong travel;

16 “(C) would result in overall increased costs that
17 would offset potential savings from travel at standard
18 commercial fare; or

19 “(D) would not meet physical or medical needs of
20 the person traveling.

21 “(2) Subsection (b)(11) does not apply to travel by air-
22 craft other than a common carrier if—

23 “(A) travel by such aircraft is specifically required
24 for contract performance or is otherwise specifically
25 authorized under the contract;

1 ~~“(B) travel by common carrier is impractical; and~~

2 ~~“(C) the travel performed is for business purposes~~

3 ~~and requires the use of such aircraft.~~

4 ~~“(B) Costs for air travel in excess of that allowed by~~
5 ~~subsection (b)(11) may only be allowed by reason of one of~~
6 ~~the exceptions contained in paragraph (1) or by reason of~~
7 ~~paragraph (2) if the exception is fully documented and justi-~~
8 ~~fied, including, in the case of an exception under paragraph~~
9 ~~(2), full documentation of the use of the aircraft for business~~
10 ~~purposes.~~

11 ~~“(d)(1) The Secretary of Defense shall prescribe regula-~~
12 ~~tions, consistent with the requirements of subsection (b), to~~
13 ~~establish criteria for the allowability of indirect contractor~~
14 ~~costs under Department of Defense contracts. Such regula-~~
15 ~~tions shall be prescribed as part of the Department of De-~~
16 ~~fense Supplement to the Federal Acquisition Regulation. In~~
17 ~~developing specific criteria for the allowability of such costs,~~
18 ~~the Secretary shall consider whether reimbursement of such~~
19 ~~costs by the United States is in the best interests of the~~
20 ~~United States and consistent with the requirements of sub-~~
21 ~~section (b). Such regulations—~~

22 ~~“(A) shall define and interpret in reasonable detail~~
23 ~~and specific terms those indirect costs, including the~~
24 ~~cost requirements of subsection (b), that are unallow-~~

1 able under contracts entered into by the Department of
2 Defense; and

3 “(B) shall provide that specific costs unallowable
4 under one cost principle shall not be allowable under
5 any other cost principle.

6 “(2) The regulations under paragraph (1) shall, at a
7 minimum clarify the cost principles applicable to contractor
8 costs of the following:

9 “(A) Air shows.

10 “(B) Advertising.

11 “(C) Recruitment.

12 “(D) Employee morale and welfare.

13 “(E) Actions to influence (directly or indirectly)
14 executive branch action on regulatory and contract
15 matters (other than costs incurred in regard to contract
16 proposals pursuant to solicited or unsolicited bids).

17 “(F) Community relations.

18 “(G) Dining facilities.

19 “(H) Professional and consulting services, includ-
20 ing legal services.

21 “(I) Compensation.

22 “(J) Selling and marketing.

23 “(K) Travel.

24 “(L) Public relations.

25 “(M) Hotel and meal expenses.

1 ~~“(N) Membership in civic, community, and profes-~~
2 ~~sional organizations.~~

3 ~~“(3) Such regulations shall specify the circumstances~~
4 ~~under which clauses (A) and (B) of subsection (c)(1) may be~~
5 ~~applied.~~

6 ~~“(4) Such regulations shall require that a contractor be~~
7 ~~required to provide current, accurate, and complete documen-~~
8 ~~tation to support the allowability of an indirect cost at the~~
9 ~~time a proposal for settlement of indirect costs is submitted to~~
10 ~~the Secretary. If such documentation is not sufficient to sup-~~
11 ~~port the allowability of the cost, the cost shall be challenged~~
12 ~~by the Secretary, and it shall become expressly unallowable~~
13 ~~and is not subject to negotiation.~~

14 ~~“(c)(1) The Secretary of Defense shall require that each~~
15 ~~indirect cost in the contractor's submission for final overhead~~
16 ~~settlement applied to covered contracts that is not specifically~~
17 ~~unallowable under law or regulation and that is challenged~~
18 ~~by the Secretary as being unallowable shall be considered for~~
19 ~~resolution as being allowable or unallowable separately from~~
20 ~~the resolution of other challenged costs. If such challenged~~
21 ~~cost cannot be resolved as being allowable or unallowable~~
22 ~~separately, then the settlement may include an aggregate~~
23 ~~amount for the settlement of all such challenged costs or a~~
24 ~~settlement of each such cost at less than the amount submit-~~
25 ~~ted if—~~

117

1 “(A) the contractor and the contracting officer
2 cannot agree on the allowability of the cost under ex-
3 isting cost principles;

4 “(B) the contracting officer documents the reasons
5 why an agreement cannot be reached; and

6 “(C) the contractor agrees in writing that costs of
7 that type will not be submitted to the Department of
8 Defense for payment as an allowable indirect cost in
9 the future under that contract or any other contract of
10 the contractor with the Secretary.

11 “(2) The Secretary of Defense shall provide, to the
12 maximum extent practicable, the defense contract auditor be
13 present at any negotiation or meeting with the contractor
14 regarding a determination of the allowability of indirect costs
15 of the contractor.

16 “(f)(1) A contractor that submits a proposal for settle-
17 ment of indirect costs applicable to a covered contract shall
18 be required to certify that all indirect costs included in the
19 proposal are allowable. Any such certification shall be in a
20 form prescribed by the Secretary of Defense.

21 “(2) The Secretary of Defense or the Secretary of the
22 military department concerned may, in an exceptional case,
23 waive the requirement for certification under paragraph (1) in
24 the case of any contract if the Secretary—

1 “(A) determines in such case that it would be in
2 the interest of the United States to waive such certifi-
3 cation; and

4 “(B) states in writing the reasons for that deter-
5 mination and makes such determination available to
6 the public.

7 “(g) The Secretary of Defense shall provide that, in es-
8 tablishing the interim or provisional rates for payment of indi-
9 rect costs to a defense contractor for which final settlement
10 will be made at a later time, such rates shall be based upon
11 amounts incurred by such contractor for indirect costs less
12 any amount questioned by the agency with responsibility for
13 audits of defense contracts.

14 “(h) In this section, ‘covered contract’ means a contract
15 entered into by the Department of Defense for an amount
16 more than \$25,000—

17 “(1) that is flexibly priced; or

18 “(2) for which cost or pricing data is required
19 under section 2306(f) of this title.”.

20 (b) REGULATIONS.—(1) Not later than 150 days after
21 the date of enactment of this Act, the Secretary of Defense
22 shall prescribe the regulations required by subsection (d) of
23 section 2324 of title 10, United States Code, as amended by
24 subsection (a). Such regulations shall be published in accord-

1 ~~once with section 22 of the Office of Federal Procurement~~
2 ~~Policy Act (41 U.S.C. 418b).~~

3 (2) ~~The Secretary shall review such regulations at least~~
4 ~~once every five years. The results of each such review shall~~
5 ~~be made public.~~

6 (e) ~~APPLICABILITY TO SUBCONTRACTS.~~—The regula-
7 tions of the Secretary of Defense required to be issued under
8 subsection (b) shall require, to the maximum extent possible,
9 that the provisions of section 2324 of title 10, United States
10 Code, as amended by subsection (a), shall apply to all subcon-
11 tractors of any covered contract, as that term is defined in
12 such section.

13 (d) ~~EFFECTIVE DATE.~~—Section 2324 of title 10,
14 United States Code, as amended by subsection (a), shall
15 apply only to contracts entered into on or after the date on
16 which regulations are prescribed in accordance with subsec-
17 tion (b).

18 *SEC. 8098. The amendments made to section*
19 *7572(b)(3) of title 10, United States Code, and to section 3*
20 *of Public Law 96-357 (10 U.S.C. 7572 note) by section 606*
21 *of the Department of Defense Authorization Act, 1986, shall*
22 *apply to reimbursement of expenses incurred on or after Oc-*
23 *tober 1, 1985, by a member of a uniformed service on sea*
24 *duty.*

1 SEC. 8099. (a) MULTIPLE SOURCES FOR MAJOR DE-
2 FENSE ACQUISITION PROGRAMS.—(1) Section 2305a of title
3 10, United States Code, as added by section 912 of the De-
4 partment of Defense Authorization Act, 1986, is amended to
5 read as follows:

6 “§ 2305a. Major programs: development of multiple
7 sources

8 “(a)(1) The Secretary of Defense may not begin full-
9 scale engineering development under a major program
10 until—

11 “(A) the Secretary prepares a plan for competi-
12 tion under the program; and

13 “(B) the Secretary submits to the Committees on
14 Armed Services of the Senate and House of Repre-
15 sentatives a report describing that plan.

16 “(2) Each contract for the development and acquisition
17 of the system under the program, and each contract for the
18 development and acquisition of a major subsystem under the
19 program, shall be awarded in accordance with the plan pre-
20 pared under paragraph (1).

21 “(3) The report required by paragraph (1)(B) shall be
22 submitted not later than the submission of the budget materi-
23 als the Secretary submits to Congress for the fiscal year for
24 which the initial request is made for appropriations for full-
25 scale engineering development of the program.

1 “(4) If the Secretary proposes to revise a competition
2 plan prepared under paragraph (1) after the report on the
3 plan is submitted under that paragraph, the Secretary shall
4 submit to the committees a report describing the proposed
5 revision. Such a revision may not be implemented until 60
6 days after the report on the revision is received by those
7 committees.

8 “(b)(1) The Secretary shall include in the competition
9 plan for a major program an estimate of whether the market
10 conditions for such system (and each such subsystem) exist
11 such that the Secretary has a reasonable expectation that
12 there will be competitive alternative sources of supply for the
13 system (and each such subsystem) throughout the period from
14 the beginning of full-scale engineering development through
15 the end of production under the program.

16 “(2) If the Secretary's estimate under paragraph (1) that
17 competitive alternative sources of supply will exist later
18 proves incorrect in that fewer than two responsive proposals
19 are received in reply to a request for proposals, the Secretary
20 shall revise the competition plan in accordance with subsec-
21 tion (e)(1).

22 “(3) A contract for full-scale engineering development
23 or production (including follow-on contracts) under a major
24 program may not be entered into using procedures other than

1 competitive procedures under the authority of clause (1) or
2 clause (7) of section 2304(e) of this title.

3 ~~“(e)(1) In preparing the portions of a plan that are re-~~
4 ~~quired by subsection (b)—~~

5 ~~“(A) if the Secretary determines that competitive~~
6 ~~alternative sources of supply with respect to the~~
7 ~~system (or a major subsystem of the system) would not~~
8 ~~otherwise be available throughout the full-scale engi-~~
9 ~~neering development of the system (or major subsys-~~
10 ~~tem); the Secretary shall provide in the plan for the~~
11 ~~award of contracts under the program so as to provide~~
12 ~~and maintain at least two sources of supply for full-~~
13 ~~scale engineering development; and~~

14 ~~“(B) if the Secretary determines that competitive~~
15 ~~alternative sources of supply with respect to the~~
16 ~~system (or a major subsystem of the system) would not~~
17 ~~otherwise be available throughout the production of the~~
18 ~~system (or major subsystem); the Secretary shall pro-~~
19 ~~vide in the plan for the award of contracts under the~~
20 ~~program so as to provide and maintain at least two~~
21 ~~sources of supply for production.~~

22 ~~“(2) If a competition plan includes a provision required~~
23 ~~by paragraph (1)(B); the plan shall also provide that of the~~
24 ~~total dollar amount of contracts awarded for a fiscal year for~~
25 ~~production of the system (or major subsystem)—~~

123

1 “(A) the amount awarded to the contractor whose
2 proposal was most advantageous to the United States
3 shall be greater than the amount awarded any other
4 contractor; and

5 “(B) the amount awarded any other contractor
6 shall be sufficient to enable that contractor to compete
7 effectively for the plurality of the next production con-
8 tract for the system (or major subsystem).

9 “(3) The Secretary shall determine which proposal is
10 most advantageous to the United States by considering price
11 and other factors included in the solicitation for proposals for
12 the contract.

13 “(4) The Secretary may waive provisions of a plan re-
14 quired by paragraph (1) if the Secretary determines that the
15 proposal of the contractor submitting the proposal that is the
16 second most advantageous to the United States is not within
17 a competitive range (as determined by the Secretary) of the
18 proposal that is the most advantageous to the United States.

19 “(5) In carrying out this subsection, the Secretary may
20 provide that the requirements of a competition plan are satis-
21 fied even though the contractors do not develop or produce
22 identical systems if the systems developed or produced serve
23 similar functions and compete effectively with each other.

24 “(d)(1) In preparing a competition plan for a major pro-
25 gram, the Secretary (subject to paragraph (4)) may waive the

1 requirements of subsections (b) and (c) with respect to that
2 program if the Secretary determines that the application of
3 these subsections to that program—

4 “(A) would materially increase the total cost of
5 the program; or

6 “(B) would unreasonably delay the completion of
7 the total program.

8 “(2) If the Secretary grants a waiver under paragraph
9 (1), the report submitted under subsection (a)(1) with respect
10 to that program—

11 “(A) shall include notice that such waiver has
12 been made; and

13 “(B) shall set forth the reasons for the waiver, to-
14 gether with supporting documentation of comparative
15 cost and schedule estimates.

16 “(3) The exercise of the authority provided under para-
17 graph (1) shall be made separately with respect to the appli-
18 cation of subsections (b) and (c)—

19 “(A) to full-scale engineering development of the
20 program; and

21 “(B) to production of the program.

22 “(4) The Secretary may not grant a waiver under para-
23 graph (1) if the waiver would cause the total cost of either
24 the major development programs or the major production
25 programs for which all such waivers have been granted to

1 exceed 50 percent of the total cost of all the major develop-
 2 ment programs or the major production programs, respective-
 3 ly, that enter full-scale engineering development after fiscal
 4 year 1986.

5 “(f) In this section:

6 “(1) ‘Major program’ means a major defense ac-
 7 quisition program, as such term is defined in section
 8 139a(a) of this title.

9 “(2) ‘Major subsystem’, with respect to a major
 10 program, means a subsystem of the system developed
 11 under the program for which—

12 “(A) the amount for research, development,
 13 test, and evaluation is 10 percent or more of the
 14 amount specified in section 139a(a)(1)(B) of this
 15 title as the research, development, test, and eval-
 16 uation funding criterion for identification of a
 17 major defense acquisition program; or

18 “(B) the amount for production is 10 percent
 19 or more of the amount specified in section
 20 139a(a)(1)(B) of this title as the production fund-
 21 ing criterion for identification of a major defense
 22 acquisition program.”.

23 (2) The item relating to such section in the table of sec-
 24 tions at the beginning of chapter 137 of such title is amended
 25 to read as follows:

“2305a. Major programs: development of multiple sources.”.

1 **(b) EFFECTIVE DATE.**—Section 2305a of title 10,
2 United States Code, as amended by subsection (a), shall
3 apply with respect to major defense acquisition programs for
4 which funds for full-scale engineering development are first
5 provided for a fiscal year after fiscal year 1986.

6 *SEC. 8099. No prior year appropriations transferred or*
7 *otherwise made available by this Act shall remain available*
8 *for obligation beyond the expiration dates established when*
9 *appropriated.*

10 **SEC. 8100. (a) CLARIFICATION OF SECTION 917 COST**
11 **AND PRICE MANAGEMENT PROVISION.**—Section 2406 of
12 title 10, United States Code, as enacted by section 917 of the
13 Department of Defense Authorization Act, 1986, is amended
14 to read as follows:

15 **“§ 2406. Cost and price management**

16 **“(a)(1)** Subject to subsection (d)(2), the head of an
17 agency shall require the contractor under a covered contract
18 with that agency—

19 **“(A)** to record into appropriate categories the con-
20 tractor’s proposed and negotiated cost and pricing data
21 with respect to work under the contract; and

22 **“(B)** to record into appropriate categories the con-
23 tractor’s incurred costs under the contract in the same
24 manner as the manner in which the contractor catego-

1 rizes and records such proposed and negotiated cost
2 and pricing data.

3 ~~“(2) The categories into which such proposed and nego-~~
4 ~~tiated cost and pricing data and such incurred costs shall be~~
5 ~~recorded include—~~

6 ~~“(A) labor costs;~~

7 ~~“(B) material costs;~~

8 ~~“(C) subcontract costs;~~

9 ~~“(D) overhead costs;~~

10 ~~“(E) general and administrative costs;~~

11 ~~“(F) fee or profit;~~

12 ~~“(G) recurring costs; and~~

13 ~~“(H) nonrecurring costs.~~

14 ~~“(b)(1) Subject to subsection (d)(2), the head of an~~
15 ~~agency shall require, with respect to each covered contract~~
16 ~~under a major defense acquisition program, that the contrac-~~
17 ~~tor record each proposed or negotiated bill of labor—~~

18 ~~“(A) for labor used by the contractor in manufac-~~
19 ~~turing the end item under the program; and~~

20 ~~“(B) for labor used by the contractor in perform-~~
21 ~~ing routine testing relating to the end item.~~

22 ~~“(2) A contractor that records proposed and negotiated~~
23 ~~bills of labor with respect to a contract under paragraph (1)~~
24 ~~shall prepare each such bill of labor to reflect the contractor’s~~
25 ~~computation—~~

128

1 ~~“(A)~~ of the work required in manufacturing parts
2 and subassemblies for the end item under the program;
3 and

4 ~~“(B)~~ of the work required in performing routine
5 testing of such parts and subassemblies.

6 ~~“(2)(A)~~ A contractor preparing a bill of labor required to
7 be recorded under paragraph (1) shall specify in the bill of
8 labor the current industrial engineering standard hours of
9 work content (also known as ‘should-take times’)—

10 ~~“(i)~~ for the work included in each component of
11 the bill of labor; and

12 ~~“(ii)~~ for the total work included in the bill of
13 labor.

14 ~~“(B)~~ The contractor shall base the standard hours of
15 work content specified in the bill of labor on the ‘fair day’s
16 work’ concept, as such term is understood in competitive
17 commercial manufacturing industries in the United States.

18 ~~“(C)~~ The contractor’s standard hours of work content
19 included in the bill of labor may not vary from time standards
20 derived from commercially available predetermined time
21 standard systems widely used in the United States, as deter-
22 mined by the head of the agency, subject to verification by
23 audit.

24 ~~“(4)~~ Subject to subsection (d)(2) of this section, the head
25 of the agency concerned shall require that a contractor that

1 records (under paragraph (1)) a negotiated bill of labor with
2 respect to a contract shall, as work progresses under the con-
3 tract, record—

4 “(A) any difference between—

5 “(i) the actual hours of work expended in
6 performing the work included in each component
7 of the bill of labor; and

8 “(ii) the standard hours of work content for
9 such work specified in the bill of labor pursuant to
10 paragraph (3);

11 “(B) any difference between—

12 “(i) the actual hours of work expended in
13 performing the total work included in the bill of
14 labor; and

15 “(ii) the standard hours of work content for
16 such work specified in the bill of labor pursuant to
17 paragraph (3); and

18 “(C) the bill of labor so as to reflect the work
19 content of the current configuration of the program.

20 “(e)(1) Subject to subsection (d)(2), the head of an
21 agency shall require, with respect to each covered contract
22 under a major defense acquisition program, that the contrac-
23 tor record each proposed or negotiated bill of material—

24 “(A) for material used by the contractor in manu-
25 facturing the end item under the program; and

130

1 ~~“(B) for material used by the contractor in per-~~
2 ~~forming routine testing relating to the item.~~

3 ~~“(2) A contractor that records proposed and negotiated~~
4 ~~bills of material with respect to a contract under paragraph~~
5 ~~(1) shall prepare each such bill of material to reflect the con-~~
6 ~~tractor's computation—~~

7 ~~“(A) of the material required for manufacturing~~
8 ~~parts and subassemblies for the end item under the pro-~~
9 ~~gram; and~~

10 ~~“(B) of the material required for routine testing of~~
11 ~~such parts and subassemblies.~~

12 ~~“(3) The costs set out in such a bill of material shall be~~
13 ~~expressed in current dollars.~~

14 ~~“(4) Subject to subsection (d)(2), the head of the agency~~
15 ~~concerned shall require that a contractor that records a nego-~~
16 ~~tiated bill of material with respect to a contract under para-~~
17 ~~graph (1) shall, as work progresses under the contract,~~
18 ~~record—~~

19 ~~“(A) any difference between—~~

20 ~~“(i) the costs incurred by the contractor for~~
21 ~~material used by the contractor in manufacturing~~
22 ~~the end item under the program; and~~

23 ~~“(ii) the costs for such material specified in~~
24 ~~the bill of material;~~

25 ~~“(B) any difference between—~~

1 “(i) the costs incurred by the contractor for
2 material used by the contractor in performing rou-
3 tine testing relating to the item; and

4 “(ii) the costs for such material specified in
5 the bill of material; and

6 “(C) the bill of material so as to reflect the work
7 content of the current configuration of the program.

8 “(d)(1) Nothing in this section prohibits a contractor
9 from submitting to an agency a request for payment or reim-
10 bursement for any bill of labor or any bill of material devel-
11 oped pursuant to an approved system of cost principles and
12 procedures.

13 “(2) This section does not authorize or require the head
14 of an agency to require the recording by a contractor of infor-
15 mation under this section if the contractor does not otherwise
16 maintain the information to be recorded—

17 “(A) under section 2306(f) of this title or some
18 other provision of law (other than this section) or regu-
19 lation;

20 “(B) under the terms of a contract provision re-
21 quired under any such law or regulation; or

22 “(C) for its own management purposes.

23 “(e) In this section:

1 “(1) ‘Agency’ means the Department of Defense,
2 the Department of the Army, the Department of the
3 Navy, or the Department of the Air Force.

4 “(2) ‘Covered contract’ means a contract that is
5 awarded by an agency and that is subject to the provi-
6 sions of section 2306(f) of this title, including contracts
7 for full-scale engineering developments or production.

8 “(3) ‘Major defense acquisition program’ has the
9 meaning given that term in section 138(a)(1) of this
10 title.”.

11 (b) **APPLICABILITY OF SECTION.**—Section 2406 of title
12 10, United States Code, as amended by subsection (a), shall
13 apply with respect to—

14 (1) contracts in effect on the date of the enact-
15 ment of this Act;

16 (2) contracts entered into on or after such date;
17 and

18 (3) a contract completed or otherwise terminated
19 before such date under a major defense acquisition pro-
20 gram that is in existence on such date, if the contract
21 was with a contractor with whom the Department of
22 Defense (including the military departments) has a con-
23 tract under such program on or after such date.
