PREFACE

This publication is a reference guide to leading officials of the Ministry of Foreign Trade and other organizations engaged in foreign trade activities. It may be used to find the incumbents of given positions within an organization or the positions of given individuals. It also serves as a guide to the internal structure of some organizations. This directory supersedes the *Directory of USSR Foreign Trade Organizations and Officials* (CR 85-10133, January 1985).

Directory Abbreviations and Dates

The date an individual assumed a position is listed in the "position" column. Partial dates are given when complete dates are unknown. Dates of birth are listed in the "birth" column. A list of abbreviations follows:

ap	appointed (to the position)
ARO	Affiliated Research Organizations
(A-U)	All-Union (English rendering)
id	identified (in the position)
MA	Main Administration
SRI	Scientific Research Institute
V/O	All-Union Association (Russian rendering)
V/K	All-Union Office (Russian rendering)

Rendering of Proper Names

Names are given in full when known. Transliteration follows the system authorized by the Board of Geographic Names (BGN). For instance, the names commonly known as "Pyotr" and "Yuri" are transliterated by the BGN system as "Petr" and "Yuriy."

Organizations and Positions

An effort has been made to verify and standardize the names of organizational components and the position titles of individuals. When possible, the Russian rendering of the term is provided. Some unverified entries remain for names and components whose sole source is a non-Soviet publication. The following is a list of Russian terms and preferred English translations used in this publication:
