FEBRUARY 16, 1974
(FOR IMMEDIATE RELEASE)
FACT SHEET #25

SUBJECT: THE CIA'S MAN IN SEATTLE GOVERNMENT: PHIL SHERBURNE

THE NATIONAL SECURITY ACT OF 1947 WHICH SET UP THE CIA PROHIBITS THE AGENCY FROM SERVING DOMESTICALLY IN "POLICE, SUBPOENA, LAW-ENFORCEMENT OR INTERNAL SECURITY FUNCTIONS". BUT THE CIA IS ENGAGED IN THESE ACTIVITIES, AND MORE.

IN EVERY MAJOR CITY ACROSS THE U.S. THE CIA'S FRONT GROUP, THE LAW ENFORCEMENT ASSISTANCE AGENCY (LEAA) HAS PLACED CONSCIOUS CIA OPERATIVES, PERSONS WITH EXPERIENCE IN SOME FORM OF DIRECT CIA WORK.

THE MAN FOR THIS JOB IN SEATTLE IS 32 YEAR OLD PHIL SHERBURNE, HEAD OF THE LEAA'S PLANNING AND COMMUNITY AFFAIRS AGENCY: THE LAW AND JUSTICE PLANNING OFFICE (LJPO). SHERBURNE SET UP THE LJPO OPERATION IN 1971, AFTER A SHORT STINT IN MAYOR UHLMAN'S OFFICE OF MANAGEMENT AND BUDGET.

SHERBURNE IS TOUTED IN THE PRESS (P.I., JAN 27) AS BRINGING "SCIENTIFIC METHOD" TO POLICE WORK. THE BIOGRAPHICAL SKETCH OF SHERBURNE IN THAT ARTICLE OMITS REFERENCE TO WHERE HE GOT HIS TRAINING IN THE "SCIENTIFIC METHOD": THE CIA.

SHERBURNE AND THE NSA

IN 1964-65 SHERBURNE WAS VICE PRESIDENT OF THE NATIONAL STUDENT ASSOCIATION (NSA), A CIA FRONT ORGANIZATION EXPOSED AS SUCH BY RAMPARTS (MARCH 1967). NSA WAS FUNDED ALMOST ENTIRELY BY THE CIA SINCE ITS INCEPTION IN 1947. IT HAS FUNCTIONED AS A TRAINING GROUND FOR CIA AGENTS.

ONE OF THE INGREDIENTS THE CIA LIKED IN SHERBURNE WAS HIS ABILITY TO GET NON-CIA MONEY, OR CIA FRONT MONEY, FOR THE NSA - FOR ORGANIZATIONAL COVER. THE CIA LIKED THIS ABILITY SO MUCH THAT AFTER THE AGENCY BROUGHT SHERBURNE IN AS A CONSCIOUS AGENT, SHERBURNE WAS GIVEN THE CODE NAME "MR. GRANTS".

THE CIA SUPPORTED SHERBURNE'S BID FOR NSA PRESIDENT. SHERBURNE SIGNED THE SECRECY OATH, BECAME A CIA AGENT, AND WON THE PRESIDENCY, HANDS DOWN. (NSA LUNUS 1964-66) THE NSA WAS UNDER THE DIRECTION OF "COVERT ACTION DIVISION 3. V" OF THE CIA'S PLANS DIVISION.

ONE OF SHERBURNE'S SUPERORDINATES, 2005/01/11 : CIA-RDP88-01315R000300590028-8
IS NOT CONSIDERED POLITICALLY RELIABLE ENOUGH TO BE INITIATED INTO THE CIA BY

NSA/CIA STAFF, AND CIA SUPERIORS. BUT SHERBURNE THOUGHT WOOD WAS GETTING CLOSE TO THE TRUTH ON HIS OWN - THAT HE WOULD LEARN "IN THE WRONG WAY" AND REVEAL THE CIA. SO SHERBURNE BROKE REGULATIONS AND REVEALED THE CIA CONTROL OF THE NSA. THUS WOOD BECAME A "WITTY" (NSA/CIA TERM FOR A PERSON IN THE KNOW), THOUGH POLITICALLY UNRELIABLE FROM THE STANDPOINT OF THE CIA, AND NOT LEGALLY BOUND TO SECRECY.

TODAY SHERBURNE MAKES THE ARGUMENT THAT HE WANTED TO CLEAN UP THE NSA, BY GETTING OTHER FOUNDATIONS TO DO THE GOOD WORK THAT THE CIA WANTED DONE. MR. GRANTS MET WITH VICE PRESIDENT HUMPHREY, TO APPEAL TO THE FORD FOUNDATION, DAVID ROCKEFELLER, ET AL, FOR FUNDS. OUT OF THE FRYING PAN INTO THE FIRE? NO, SHERBURNE WAS JUST DOING THE JOB HE WAS HIRED TO DO: PROVIDING NON-CIA MONIES FOR COVER, ESPECIALLY NECESSARY AS THE NSA WAS CONCENTRATING ON DOMESTIC WORK (INTENSIFIED DURING THE VIETNAM WAR PROTEST ERA) - WITH 400 COLLEGES AND UNIVERSITIES AFFILIATED WITH IT.

UNDER PRESSURE FROM WOOD TO REVEAL THE CIA CONTROL OF NSA, SHERBURNE FINISHED A TROUBLED TERM AS NSA PRESIDENT, RETIRING TO HARVARD TO PICK UP HIS LAW DEGREE. HE WOULD BE OF USE LATER, AFTER MORE TRAINING IN THE "SCIENTIFIC METHOD OF POLICE WORK". MEANWHILE (JAN. 1967) WOOD TOLD THE CIA STORY TO RAMPARTS WRITER SOL STERN. SHERBURNE AND OTHER AGENTS LEARNED QUICKLY ABOUT THE LEAK. RAMPARTS PHONED AGENT SHERBURNE PRIOR TO THE RELEASE OF THE STORY, ASKING FOR HIS RESPONSE: "I THINK THE ARTICLE SHOULD BE DISCUSSED BY THE CURRENT ADMINISTRATION OF NSA, AND THAT ANYTHING I SAY WOULD BE RESOLVED IN DISCUSSIONS WITH THEM." ASKED IF HE HAD SIGNED A NATIONAL SECURITY OATH, SHERBURNE ANSWERED: "AT THIS POINT I DON'T WANT TO MAKE ANY COMMENT." SHERBURNE THEN CALLED WOOD, ASKING HIM TO FLY TO BOSTON, WHERE SHERBURNE PLEADED WITH WOOD FOR AN ENTIRE DAY TO RETRACT HIS STORY. THEY THEN BOTH FLEW TO WASHINGTON FOR FOUR MORE DAYS OF INTENSE AND HARROWING DISCUSSION WITH TWO OF THE CURRENT NSA NATIONAL OFFICERS, AND NSA STAFF MEMBERS. THE OFFICERS OF NSA (AND FORMER OFFICERS) TRIED DESPERATELY TO DISSUADE WOOD FROM GIVING THE INFORMATION TO RAMPARTS. WOOD REFUSED AND INSTEAD URGED THE OFFICERS TO AFFIRM THE STORY PUBLICLY, WHICH WOULD BE THE ONLY WAY OF SALVAGING NSA'S DIGNITY.

FOLLOWING THESE MEETINGS, THE NSA AGENTS ASSEMBLED THE NON-CIA USA STAFF, TELLING THEM THE STORY ABOUT TO BREAK IN THE PRESS WAS FALSE. A DAY OR SO LATER THEY ABOUT-FACED, SAYING THE STORY WAS TRUE.

SHERBURNE DID NOT BLOW THE COVER ON THE CIA, MICHAEL WOOD DID. MR. GRANTS TRIED EVERYTHING HE COULD TO STOP WOOD. IN AN EPILOGUE TO THE RAMPARTS ARTICLE, WOOD NOTES THAT HE FELT HE HAD 'BETRAYED' HIS FRIEND SHERBURNE, BUT THAT THE CIA CONNECTION HAD TO BE SEVERED. SHERBURNE WAS PART OF THE CIA'S POST-EXPOSE PLAN.

BLOCK WATCH The CIA plan for pacification

What is Block Watch?

Block watch is part of the "Community Crime Prevention" program, financed by the Law Enforcement Assistance Administration (LEAA) and Major Wes Uhlman (Seattle's National Guard Mayor). The program is one of many overseen by "ex" CIA agent Phil Sherburne's Law and Justice Planning Office (LJPO).

Taking 'nationalism' down to the most local unit yet, the LEAA "community organizers" implement "property identification" and "home inspection" programs. These "mod squad" organizers are the first stage of an Operation Phoenix-like pacification effort. Operation Phoenix in Vietnam was simply the last stage in a series of block watch programs. Phoenix was headed by William Colby, current head of the CIA. Officially Phoenix was presented as a responsible public safety program, as is the CIA/LEAA Block Watch....

How does Block Watch work?

Working closely with the bourgeois press, Block Watch agents organize on the basis of fear, prejudices - aggravating those fears and prejudices. Block Watch "organizer" Ed Good, for example, tells frightened Ballard residents: "Most of the people who commit the crimes are from Capitol Hill, and they're sitting in their homes right now, plotting on how to get you people here in Ballard..." In Madrona, LEAA-oriented police Sergeant Green states that if Madrona were 'organized, crime could be pushed out - maybe eventually to Tacoma..."

In one instance after another the LEAA agents organize on the basis of different fears, stimulated by the press. For the elderly, the focus is on the terrible youth. For Blacks, especially in the Central Area, point to the heroin addicts (this will come in handy as the LEAA pushes methadone drug maintenance and behavior modification programs). After being psychologically prepared by the press to demand law and order, "communities", led by petty-bourgeois shop-owners, insurance salesmen, et al, beg for LEAA self-policing programs, and tell Labor Committee and NUWRO organizers that they're "outsiders".

The LEAA is at this stage developing the most frightened and/or the most gullible individuals to become unpaid snoops. "Community Control" schemes in Vietnam went through many experiments before Operation Phoenix. CIA 'People's Action Teams' collected data not obtained through the normal census. CIA Province Reconnaissance Units developed data banks for population control - feeding information into centralized computers. CIA Vietnam 'block watch' was called variously: Family Census Program, Resource Control Program, National Identification Registration Program, etc. Dossiers were kept on every individual in the family: fingerprints, photo, biographical data, attitudes, hearsay, reputation profiles, etc. During the last stages of Operation Phoenix, thousands of people were pulled out of their homes to be imprisoned or murdered, based on information gathered and centralized by the 'block watch' programs.

The first stages of such "community control" CIA run pacification programs are seemingly innocuous. Individuals frightened at the deterioration of society respond to the doubtful this way: "Why would you be afraid to give this information unless you are a burglar?" as one Ballard resident expressed. CIA run pacification programs suckled into this fascist self-policing scheme.

The self-policing by residents of Warsaw and German Jewish ghettos provide the same historic precedent. It was the same thing. Frightened "victims" lining up for the forced-labor concentration camps, policing their own poverty.

WHY? What does it all mean?

The LEAA, as the domestic wing of the CIA, wants to maintain for Rockefeller and company CONTROL OF THE WORKING CLASS as it consciously but unavoidably engineers its way into world-wide depression. Capitalism must now resort to FASCISM to maintain control: fascism imposed from the top down.

The LEAA "community control" programs heighten any prejudice or localism possible. The few who volunteer for the program then set up the first stages: lock checks, property identification, block 'coordinators', etc. Information is fed into Washington D.C. based centralized computers and mapping systems (such as Synagraphic Computer Mapping Program - SYMAP). Is the CIA 'protecting' you from the depression and fascism by putting a good lock on your door?

Block watch data is fed into computers, for immediate and later usefulness. At the same time the LEAA offers the "solution" to the problem of crime: LEAA programs variously employing different types of behavior modification which have as their specific function using apprehended criminals or "non criminals" as forced laborers: at this stage a de-centralized set of concentration camps....

AGAIN, WHY?

The only way capitalists will maintain control (and continue to realize a profit in order to pay their debts) is to take the cost of the world-wide depression out of your hide. Rockefeller's oil hoax is an example. The world-wide capitalist produced depression forces the capitalist to reduce your standard of living, your wages, your welfare check, your retirement income, your education, your hopes - so he can pay his debts. He has to do it, and he (the capitalist) is using his political-fascist police, the LEAA to do the job. The pacification program is essential also to find out who will resist, who will organize against it. The programs developed by the LEAA are turning convicts, ex-cons, and (believe it or not) pre-cons ("pre-trial diversion/LEAA created into forced laborers for speed-up and scab labor use). So also with students, welfare recipients, other sectors of the working class sufficiently isolated from the organizing working class.

DO YOU THROW UP YOUR HANDS AND ASK: WHAT CAN WE DO RIGHT NOW ABOUT CRIME?

The only alternative to fascist organizing by the LEAA is to organize with NUWRO and the Revolutionary Youth Movement (RYM). The youth has an alternative to becoming a criminal, a drug addict, a hustler, a scab - and that alternative is to become an organizer, a revolutionary. A revolutionary to fight for and develop expanded production, adequate schools, adequate food and housing, nuclear fusion energy....

YOU CAN EITHER LET THE LEAA/CIA USE YOU AS A VICTIM (doubly so: by their organizing you on the basis of your fears, and the ghetto youth and others victimising you)
OR WITH RYM AND NUWRO YOU CAN REFUSE TO BE A MANIPULATED VICTIM - YOU CAN FIGHT BACK, YOU CAN TURN THIS GOVERNMENT AROUND AND THROW ROCKEFELLER AND COMPANY OUT.

CIA CABAL SET UP WATERGATE LEADS DRIVE TO IMPEACH NIXON

FACT SHEET

Richard Nixon was not the mastermind of Watergate. A CIA cabal set him up! Nixon is the victim of a sophisticated CIA covert inside-outside psy-war job one of the biggest clandestine operations ever pulled off by the CIA. The same CIA cabal which set Nixon up as the scapegoat for Watergate and the U.S. depression crisis is now leading the drive from behind the scenes, in collaboration with the Rockefeller faction of international finance to impeach him! This CIA-Rockefeller plot to sow confusion, cynicism, and paranoia throughout the population by discrediting the Presidency, Congress and the major political parties is a prelude to their planned insurrection against the U.S. Constitution and government. At the same time it is the Rockefeller banking and oil faction and their spook allies in the CIA who are behind the Great Oil Hoax, which utilizes insidious psychological warfare (chaos and confusion) and massive layoffs to soften up the working class for the imposition of a CIA-Rockefeller-led fascist regime.

FACT: The CIA and not Nixon set up the plumbers. The extraordinary 1970 Domestic Security Plan which unleashed a network of special undercover "plumber" agents and authorized a score of other illegal dirty tricks activities such as mail interception was drawn up by the Interagency Committee on Intelligence under the direction of the CIA and not in the White House. The President's Special Investigation Unit, popularly known as the plumbers, was a mere by-product of this much larger CIA scheme.

FACT: The Pentagon Papers which when released created a crisis in the White House were not written at the Pentagon, but were the creature of the CIA special operations branch. This was first demonstrated by L. Fletcher Prouty, former Air Force liaison officer to the CIA in his book *The Secret Team*. The Pentagon Papers represent an elaborate and subtle WHITEWASH of the CIA's real and murderous undercover counterinsurgency role in initiating and perpetuating the U.S. war in Indochina. On page after page, the Pentagon Papers portray the CIA as having opposed the war by citing the CIA's National Intelligence Estimate. The CIA has always used its intelligence role as a cover mechanism for its operational activities.

FACT: Daniel Ellsberg, the man who "leaked" the Pentagon Papers, has been for many years an employee of the CIA (special operations division). As a protege of leading CIA agent General Edward Lansdale, it was Ellsberg who coordinated CIA covert counterinsurgency operations in Vietnam in the 1960's. He is also a former aide to Henry Kissinger and was collaborating with CIA agent William Bundy at the notorious CIA front, the Center for International Studies (MIT), at the time he did his Pentagon Papers bit for his masters. The leading French newspaper in Canada, *La Presse*, has recently run some of this information, weeks after it was published in *New Solidarity*.

FACT: The plumbers' outfit the CIA "presented" for White House use was staffed with leading CIA clandestine operation agents disguised as recent retirees from the agency. Leading CIA agents Hunt and McCord and lesser CIA operatives such as Barker and Sturgis were all veterans of the Bay of Pigs and other CIA adventures. One of the CIA's easier tasks was to sell the impotent paranoid honcho Nixon and his Haldeman-Ehrlichman-Colson gaggle on the *Approved For Release 2005/01/11* : CIA-RDP88-01155R000300590028-8

FACT: To make sure that Nixon and his crew swallowed the bait the Rockefeller forces within the administration carried out the critical inside end of the psy-war operation. Henry Kissinger whose well known role as a Rockefeller front man goes back to the 1950's when he was the leading advisor to the Rockefeller Brothers Fund, and David Young a more recent protege of the Rockefeller family brought into government as Kissinger's aide were the key inside men on the job.

So was Nelson Rockefeller himself! When Rockefeller resigned as Governor of New York, the *New York Times* revealed that he had been serving as "special security consultant" to the Nixon Administration meeting secretly once a week in Washington. Rockefeller is an old hand as a Super-Spook — during World War II Rocky headed an intelligence agency (Coordinator for Inter-American Affairs) with jurisdiction over all of Latin America. This Rockefeller-controlled agency, a forerunner of the CIA, also was involved in undercover operations in support of DeGaulle's Free French. After the war, along with Rockefeller family allies Allen Dulles and Dean Acheson, Rockefeller worked strenuously to found the CIA. Using his post as under-Secretary of State as a cover, Rockefeller was the first liaison man between the CIA, President Truman, and the capitalist class. Now this function has been systematized and is the responsibility of the Special Assistant on National Security Affairs, a post now held by Henry Kissinger and formerly by CIA-Rockefeller front man McGeorge Bundy under Kennedy and Johnson.

From this position Kissinger was in charge of all communications and liaison with Nixon. Numerous press reports indicate that as early as 1969 Kissinger and later Young (soon to be head of the plumbers!) continually barraged Nixon with tales of espionage leaks and subversion, and personally launched bugging and spying operations on various government officials. This was also used, amongst other things, to undermine CIA-Rockefeller factional opponents like Admiral Thomas Moorer (now lined up with George Wallace), who got the treatment from Young's plumbers for their military "spy ring." The *Chicago Sun Times* reports that in 1971 Kissinger had Secretary of Defense Melvin Laird's phone tapped and other Defense Officials placed under skiveillance — as part of the Rockefeller-CIA war against their blockheaded enemies in the Pentagon. The CIA's friend, the *New York Times*, which has been all aghast at other plumbers' actions, is using Young's investigation the Pentagon to push Congressional investigation of the Pentagon. With the economic crisis deepening, Rockefeller and his "spook" allies are seeking complete hegemony over the Pentagon as a prelude to a later total takeover of the reins of power.

FACT: Rockefeller's man Kissinger has become so powerful that even CIA director Colby described him as the real head of U.S. intelligence in recent Senate hearings. It is also a little-guarded secret on Capitol Hill that Kissinger heads the so-called Top Forty Committee, a cabal of Rockefeller-CIA forces that makes all-important policy decisions.

FACT: Nixon and the bullletheads around him fell for the CIA-Ellsberg trap with a vengeance. This put the CIA in full control of the ball on both offense and defense, while thoroughly hiding their role. Their own leading agents, such as Ellsberg, Morton Halperin, a CIA State Department operative, and such CIA think tanks as the *Approved For Release 2005/01/11* : CIA-RDP88-01155R000300590028-8

gun of the Nixon administration and the planted CIA plumber, CIA agents Ellsberg, Halperin, et al. emerged as the "peoples' heroes" to lead the opposition to Nixon per CIA plan.

FACT: The arrest "expose" of the plumbers was doubtless on the CIA contingency drawing board. As fishy as the events of the hotel were, it is not yet clear if the particular arrests at the Watergate were preplanned. Another CIA contingency plan most probably called for Nixon to declare a national state of emergency during 1972 to halt "Communist subversion at the highest levels of government," and to prevent further "terrorist bombings and anarchy" — which activity was also under the orchestration of CIA agents-provocateurs in leadership positions in the Weathermen and other "radical" groups. More recently it was a course along these lines that the CIA-Rockefeller forces adopted as a phase in their plan to impose a totalitarian regime on Great Britain while preparing to dump Prime Minister Heath. At any rate, finding the Prairie Preacher George McGovern unacceptable, CIA-Rockefeller forces waited until after the elections to go after Nixon.

FACT: When it finally dawned on Nixon what in hell was going on, the cornered Nixon threatened to blow the whole thing wide open. This is the meaning of the cryptic letter CIA agent James McCord (one of the few plumbers in the "know" on the real CIA plot) wrote to CIA director Richard Helms, as revealed in the Watergate hearings: "Nixon and his boys pushed us to the brink but they're backing away now and the danger has passed. Every tree in the forest in the last ten years would have fallen and the earth scorched." That and the fact that there are some other big things to hide — including a famous assassination some 10 years ago.

FACT: The Get-Nixon drive spearheaded by the CIA-Rockefeller forces was originally delegated to the Washington Post and the New York Times. Lower level editors and reporters at the Times have admitted to Labor Committee members that they get all their inside info on Watergate straight from the CIA. NBC blew Kissinger's cover on Jan. 22 when it revealed that Kissinger told "two Israeli ministers" that Nixon would be out in six months but he (Kissinger) would remain in power. Meanwhile, under the direction of CIA-Rockefeller front man

McGeorge Bundy, the Ford Foundation has supplied Samuel Dash to the Senate Watergate Committee. Dash, who has worked for the Ford Foundation since 1963 when he headed their Philadelphia Council for Community Advancement front (the launching pad for black capitalist Leon Sullivan's slave labor-recycling, self-help machine "Opportunities Industrial Council"), is a special Ford Foundation favorite. In fact, the Ford Foundation awarded Georgetown Law School one million dollars on the condition that they set up their one-million dollar baby, Samuel Dash, in a special "empirical research" program.

Not surprisingly, John McCloy, former chairman of David Rockefeller's Chase Manhattan Bank and Rocky's key operative in the Great Oil Hoax, sits on the Board of Directors of the Ford Foundation. McCloy is behind the scenes manipulating the phony energy crisis as legal representative of the oil cartels. The CIA has long worked out of the giant multinational corporations as a base of operations abroad.

While the CIA-Rockefeller bloc prepare the impeachment of Nixon they are readying a National Gestapo police force through the Law Enforcement Assistance Administration (LEAA). The LEAA which is presently arming unstable ghetto gang youth to provoke race war and terror has as a leading strategist Russel Peterson, a member of Rockefeller's Critical Choices Commission for outright fascism.

FACT: The CIA-Rockefeller forces, while manipulating the Watergate affair, are consolidating their forces. Richard Helms was sent to Iran to oversee the vital Middle East scene and to help to coordinate the Great Oil Hoax internationally. William Colby, the CIA's leading specialist on undercover operations and counterinsurgency and director of the heinous Phoenix Plan to assassinate the Viet Cong and their sympathizers, has moved in to head the CIA. Former CIA director and Rockefeller man James Schlesinger is now fighting a factional war for Rocky and the CIA within the Pentagon. The CIA has unleashed its well-prepared Overdrive network amongst independent truckers as a first step toward trying to create fascist forces within the working class while amplifying the layoffs which followed the phony energy crisis.

The battle lines are being drawn and the class war looms — a CIA-Rockefeller led capitalist class versus a Labor Committee-led working class, with the stakes nothing less than the future of the human race.

PHIL SHERBURNE WOULD BE USEFUL TO THE "FIRM"; HE KNEW TOO MUCH ABOUT "COVERT ACTION V" TO BE DROPPED. THERE IS NO SUCH THING AS AN EX-CIA AGENT.

SOME URBAN PLANNING

AFTER GRADUATION, SHERBURNE WAS SET UP AS ASST. MID-WEST REGIONAL DIRECTOR OF HOUSING AND URBAN DEVELOPMENT (HUD) IN CHICAGO. SHERBURNE WORKED UNDER ANOTHER CIA MAN, FRANCIS D. FISHER. FISHER'S PREVIOUS ASSIGNMENTS WERE FOR THE WELL KNOWN CIA CONTROLLED AGENCY FOR INTERNATIONAL DEVELOPMENT (AID): ASST. GENERAL COUNCIL FOR THE FAR EAST (1962-64), AND DEPUTY DIRECTOR OF AID'S MISSION IN COLUMBIA (1965-67). FISHER IS NOW SPECIAL ASST. FOR URBAN DEVELOPMENT IN WASHINGTON D.C. ONE OF SHERBURNE'S PROFESSORS AT HARVARD WAS HOWARD T. FISHER (BROTHER OF FRANCIS), WHO DEVELOPED THE SYNAGRAPHIC COMPUTER MAPPING PROGRAM (SYMAP) FOR THE LEAA. SUCH A METHOD IS USED FOR SOCIAL CONTROL COORDINATION OF "CHARLIE" AND "ROY" SECTORS (THE CENTRAL AREA AND BALLARD) OF SEATTLE.

AFTER HIS TRAINING IN THE KIND OF "URBAN PLANNING" THE CIA HAS IN MIND FOR THE WORKING CLASS, AGENT SHERBURNE WAS DISPATCHED TO SET UP THE LEAA OPERATION IN SEATTLE: THE LJPO.

WHY THE CIA?

WORLD-WIDE CAPITALIST PRODUCED DEPRESSION HAS MADE THE TRADITIONAL COP OBSOLETE. THE NEW ORDER OF POLICE MUST PATTERN ITSELF AFTER THE GESTAPO, HOWEVER "SOPHISTICATED". THE LEAA IS AT THIS MOMENT CREATING THE POLITICAL AND ECONOMIC INFRA-STRUCTURE FOR THE USURPTION OF BOURGEOIS DEMOCRATIC RULE. CONSCIOUS CAPITALIST PLANNERS (ON THE ORDER OF THE ROCKEFELLERS) MEAN TO MANAGE THEIR WAY INTO THE DEPRESSION, REQUIRING THE CREATION OF FASCIST INSTITUTIONS. THE CIA HAS THE EXPERIENCE, THE MONEY AND THE CLOAK OF SECRECY TO DO THE JOB.

MAJOR UHLIAN (THE MAYOR WHO RECENTLY REJOINED THE NATIONAL GUARD WITH THE RANK OF MAJOR) MID-JANUARY APPOINTED FOUR MEN TO REORGANIZE AND CONSOLIDATE THE CITY GOVERNMENT. CIA MAN SHERBURNE IS ONE OF THE FOUR MEN PICKED TO DEVELOP THIS "BOLD NEW PLAN". THE PLAN, WHICH WILL BE ANNOUNCED SHORTLY, WILL OFFER THE UTTERITY GOALS OF SEATTLE 2000. THE "BOLD NEW PLAN" WILL BE THE KEY TO IMPLEMENTING LEAA FASCIST PROGRAMS - EVERY ONE OF WHICH AMOUNTS TO ATTACK ON THE REMAINING RIGHTS AND/OR THE STANDARD OF LIVING OF THE WORKING CLASS.
