Re: FOIA Request
North American Congress on
Latin America (NACLA)

Dear Sir/Madam:

On behalf of our client, the North American Congress on Latin America, also known by the name NACLA, we hereby request, pursuant to the Freedom of Information Act and the Privacy Act, all records in the possession of the Central Intelligence Agency concerning, mentioning or containing information about the North American Congress on Latin America, the NACLA Newsletter, NACLA's Latin America and Empire Report and the NACLA Report on the Americas. For your information, NACLA has existed in New York City since 1967 and, additionally, had offices in Berkeley, California from 1970 to 1977 and in Oakland, California from 1977 to the present.

Enclosed is our authorization to act on behalf of NACLA in this matter.

Pursuant to 5 U.S.C. §§ 552a, we hereby request a waiver of all search and reproduction fees. NACLA is a not-for-profit organization engaged in research and publication of information concerning, inter alia, Latin America, which is in the public interest. The disclosure of records reflecting the government's interest in such an organization would primarily benefit the public's understanding of important public issues concerning governmental conduct and is sought primarily for that purpose.

Yours truly,

M. Krinsky
