

The Director of Central Intelligence

Washington, D C 20505

18 November 1983

Dear Bill,

Enclosed herewith the two reports, one from the Community Staff and the other from the independent commission, mandated by the Congress, on "multi-disciplinary counterintelligence." To meet the 15 November deadline, I sent them over with the attached covering letter.

In any case, as I told the Committees, I intend to deliberate and consult on these reports and the issues with which they deal. I'm meeting with the Bross Commission to thank them on Monday, and if you could join we might get a start on talking over the next steps.

Yours,

William J. Casey
