MEMORANDUM FOR: Life Sciences/ORD Personnel

SUBJECT : Reorganization of the Life Sciences Program

25X1A9a 1. To reconfirm the comments which I made at our staff meeting, I have decided to undertake certain organizational changes which [redacted] and I anticipated would be necessary if the Life Sciences effort became more clearly defined. These organizational changes become effective immediately.

25X1A9a a. The position of Technical Manager/Life Sciences/ORD is abolished.

25X1A9a b. [redacted] is appointed Chief/Biological Sciences Division/ORD. He will have direct supervisory responsibility for [redacted]

25X1A9a [redacted] will be the secretaries in the Biological Sciences Division.

25X1D0a c. The Biological Sciences Division/ORD will be responsible for program areas as follows: Weapons Detection and Development and Animal Studies. In addition, I would anticipate that significant programs in [redacted] will fall within the Biological Sciences Division.

25X1A9a d. [redacted] is appointed Chief/Medical and Behavioral Sciences Division/ORD. He will have direct supervisory responsibility for [redacted] and [redacted] will be the secretary in the Medical and Behavioral Sciences Division.

25X1A9a e. The Medical and Behavioral Sciences Division/ORD will be responsible for program areas as follows: Stress and Human Behavior. I would anticipate that significant programs in visual and audio analysis and operations research will fall within the Medical and Behavioral Sciences Division.

2. I recognize that in some instances there will be areas of potential overlap as well as projects which will require support of both divisions. These matters will be resolved by the Division Chiefs in consultation with DAD/ORD. It is my expectation that this organizational change will facilitate support in terms of project management and will improve the coordination of programs.

25X1A9a Approved For Release 1999/09/27 : [redacted]

Excluded from automatic
downgrading and
declassification
