GENERAL NOTICE NO. 13A

HANDLING OF CABLE TRAFFIC

1. This notice is an amendment to General Notice No. 13, describing the handling of cable traffic through the Ames Communication Center.
2. The purpose of this notice is to include in General Notice No. 13, the proper procedure to follow when handling all other cable traffic.
3. All cables picked up by Office of Research and Development personnel at Headquarters will be processed through the ORD Registry in the same manner as described in General Notice No. 13.
4. All cables being processed through the Ames Communication Center should be typed up in cable form.
