MEMORANDUM FOR: Executive Director
VIA: Chief, Career Management Staff

FROM: [Redacted]
Career Management Staff [Redacted]

Subject: West Virginia Flood Relief

Many of us want to say thank you for your role in the Agency's very special effort to collect for West Virginia Flood Relief. It has been a wonderful demonstration of Agency "can-do-ism" on the home front. While the West Virginia disaster unfortunately seems to be but one of many these days, it was one that personally affected many people in this Agency, and one that we had the opportunity to do some small thing about.

Special appreciation should be given to [Redacted] Executive Officer/DDA who got things rolling very quickly, to the Directors of Personnel and of Logistics, Mr. Magee and Mr. Mahoney, and to their respective employees, [Redacted] in OP/PSB and Mr. [Redacted] in OL/SSB/HOME, and to all those people who in 36 hours managed to get an employee notice out and distributed, and boxes labelled and put in all of the Agency buildings' entrances, and then saw to it that the donations were collected and trucked to the appropriate collection points. The efforts of these people and the short notice contributions of many employees is something we should all feel good about.

Thank you.
