4 November 1985

The Honorable Robert E. Lamb  
Assistant Secretary for Administration  
and Security  
Department of State  
Washington, D.C. 20520

Dear Bob,

I want to thank you for the talk that you gave to our Support Conference  
[redacted] I've heard many favorable comments regarding the talk, which I  
thought was particularly well done. It was a thoughtful and stimulating  
presentation. I hope your trip back to Washington was uneventful. Since I  
have not heard anything from Helen, I assumed you made it back all right. I  
made the mistake of staying around and playing the piano and singing until  
quite late and the next morning I suffered the consequences when the alarm  
clock rang at 5 o'clock.

Again, Bob, thank you so very much for your kindness and for your taking  
time out from an extremely busy schedule to join us. I know that everyone got  
a lot out of your talk and they appreciate the big responsibilities that have  
been placed on your shoulders with implementing the Inman Report  
recommendations.

Sincerely,

[redacted signature]

Harry E. Fitzwater  
Deputy Director  
for  
Administration
