Of the major organizations, D/OS chairs the Personnel Security Committee, DD/PTS chairs the Technical Surveillance Countermeasures Committee and C/Technical Security Group chairs the Countermeasures Subcommittee. OS also provides one person on rotational assignment to the Community Counterintelligence and Security Countermeasures Staff (CCISCMS) which performs some, but not all, staff functions for the IG/CM(P) and IG/CM(T). We find all of the above groups to be of continuing value. The parallel Interagency Group/Counterintelligence receives its Agency representation from CI Staff.
