MEMORANDUM FOR: Deputy Director for Intelligence
National Intelligence Officer for Strategic Programs
Chief, Arms Control Intelligence Staff

FROM: Director of Central Intelligence

SUBJECT: Briefing for President re Soviet Strategic Capabilities

At our Thursday meeting with John Poindexter, he agreed to schedule at one of his 9:30 meetings with the President (probably Tuesday, 8 April, but that needs to be firmed up) an opportunity for Larry Gershwin to brief the President on our future estimates on the emergence of new Soviet strategic capabilities. John thinks the President should have this fully, clearly, and firstly in mind when he makes his decision on SALT II. He suggested a presentation that would be built around two or three charts. Will you get this together so that we can take a quick look at it on Tuesday when I return.

William J. Casey
