MEMORANDUM FOR: Chief, Headquarters Operations, Maintenance  
and Engineering Division  
Chief, Real Estate and Construction Division

STAT FROM:   
Acting Director of Logistics

SUBJECT: Who's in Charge

1. At the DDA staff meeting held today, 4 March, there was discussion regarding coordination among the DA components involved in renovation and repair activities. Under normal circumstances, the components involved are OL, OIT, OS, and possibly OC.

2. It was decided by the DDA and concurred in by the appropriate Office Directors that the Office of Logistics representative is in charge of all renovation/repair activities, even though the other DA components are involved.
