DAN, on behalf of the CRS/Sirrine Joint Venture, I would like to take  
this opportunity to say that it was a privilege to have you visit our  
offices last week. Now that we have met you and learned more about  
your needs, we are even more enthusiastic about working on this  
exciting and unique project.

If you require any additional information, please do not hesitate to  
contact either me or Jay Neyland personally.

Warm regards,

Paul A. Kennon, FAIA  
Executive Board  
CRS/Sirrine Joint Venture
