Re: New CIA Facilities, Langley, Virginia

STAT

On behalf of the Association, I want to express our appreciation for the opportunity to meet with the Evaluation Board on Monday and for allowing us to present our qualifications for this most significant project. We hope we have established the many advantages our experienced local team will bring to the project. Most importantly, we want to reaffirm our stated commitment to select the very best people in our organization to staff our dedicated office if we are selected to provide professional services for your New CIA Facilities at Langley.

We look forward to hearing from you.

Sincerely,

Bill
