Governor Robb has asked me to thank you for sending him a copy of your letter to Mr. Glen Urquhart concerning the CIA Headquarters Consolidation's impact on surrounding roads. He appreciates your taking the time to bring your thoughts on this important matter to his attention.

The Governor has suggested that I share your letter with the Commissioner of the Department of Highways and Transportation, Harold C. King, and ask that he look into the issues raised in your letter on behalf of the Clearview Manor Citizens Association and advise you in this regard.

Again, many thanks for bringing your concerns to the Governor's attention.

Sincerely,

H. Benson Dendy, III
