Dear Congressman:

Thank you for your help in organizing the meeting with CIA last Tuesday. We thought it was useful and a positive step.

During the course of the discussions, you referred to the McLean Citizens Association (MCA) as a significant contact point for yourself and the CIA. As an Association involved with the Ad Hoc Committee for Traffic To/From the CIA, we would like to state for the record that while we appreciate and desire the help and cooperation of the MCA, we believe it would be more constructive if the Ad Hoc Committee remains the "lead" point of contact for any and all issues pertaining to this project. The Ad Hoc Committee represents the citizens most directly effected by CIA's expansion, has been the catalyst for our progress so far, and intends to continue actively pursuing the issue.

If there are any questions, please call me during the day at [Redacted]

Again, many thanks and with best wishes.

Sincerely,
