Director of Training and Education

SUBJECT:

Midcareer Field Trip

STAT

1. I want to extend to you and your staff my sincere appreciation for the excellent job you did in planning the field trip for Midcareer #100. The course director, [Redacted] was impressed with the variety and nature of the organizations you scheduled our class to visit. The participants echoed this view in their evaluation of the trip.

2. Each corporation committed large amounts of time and their senior officials to this endeavor. They were candid and open in their discussions and extremely hospitable and gracious to the group.

3. Again, my thanks for making this portion of the course a valuable learning experience for our mid-level managers.
