Dear Mr. Mallardi:

I want to express my appreciation for the meeting you and Charles Yaker had with our Senior Intelligence Officers on 11 March 1987. Your candid discussion of Howmet's management and leadership principles--particularly how you go about handling your problems, constraints, and opportunities--were of real value to our senior executives.

We are grateful for the time and effort devoted to this luncheon meeting. All the participants regarded the meeting to be time very well spent. Thank you for your support.

Sincerely,
