Dear Mr. Green:

I want to express my appreciation for the meeting you and Thomas Young had with our Senior Intelligence Officers on 11 March 1987. Your presentation and discussion of GTE's corporate management and executive development programs--particularly how GTE plans to handle present and anticipated problems, constraints, and opportunities--were of great value to our senior executives.

We are grateful for the time and effort you and Mr. Young devoted to this endeavor. All the participants found it to be very informative. Thank you for your support.

Sincerely,

Director  
of  
Training and Education
