MEMORANDUM FOR: Chief, Policy and Coordination Staff  
FROM:   
Director of Training and Education  
SUBJECT: Intelligence Issues Course

STAT

1. I want to thank you for your presentation to the July running of the Intelligence Issues Course. The students found your discussion of the organization and work of the Intelligence Community Staff very informative. Even those from the IC Staff commented on how much they learned from your presentation.

2. Your contribution to the success of the Intelligence Issues Course was significant. You were an asset to the course. Your very interesting "Tour d'Horizon" not only provided valuable information, but also helped to bring the students together. Your profound sense of past and future stimulated thought and interaction.

3. This course is offered to Senior and Executive Secretaries to enhance their understanding of how the Intelligence Community deals with current intelligence issues. Your expertise helped make this a very successful running.
