MEMORANDUM FOR: See Attached List

VIA: Senior Training Officer, ^

FROM:
Chairman, CIA Training Selection Board

SUBJECT: Nomination to Attend a Senior Officer School

1. The CIA Training Selection Board met recently to consider nominations to attend Senior Officer Schools. The Board recommended to Robert M. Gates, Deputy Director of Central Intelligence, that you be named as an alternate to attend the ^ during academic year 1988/89. In the event a primary candidate must be withdrawn or another space becomes available to the Agency, you will be asked to attend the school. You will be notified immediately if either of these events occur.

2. Your selection is an expression of the Agency's belief that you are making and will continue to make a significant contribution to our work. I and the Board strongly believe that you are precisely the kind of person who must make a contribution to our efforts to prepare CIA people for the challenge that is ahead.

3. With this in mind, the Board encourages you to consider the idea of joining the OTE teaching staff for a few months to a year so that OTE and its students could benefit from your experiences as a successful manager. I would be glad to talk with you about the possibilities that exist. Please feel free to call me on
