1097

MEMORANDUM FOR: See Attached List

VIA: Senior Training Officer, ^

FROM:
Chairman, CIA Training Selection Board

SUBJECT: Nomination to Attend A Senior Officer School

1. The CIA Training Selection Board met recently to discuss nominations to attend Senior Officer Schools during the 1988/89 academic year. As you know, selection of candidates for these schools is very competitive, and although you were not selected, it should not be considered a reflection on your outstanding Agency record.

2. In fact, the Board thought that it would be appropriate to ask all the Senior Officer School nominees if they would be interested in a rotational assignment to OTE. I would appreciate it if you would consider the idea of joining the OTE teaching staff for a few months to a year so that OTE and its students could benefit from your experiences as a successful manager. I would be glad to talk with you about the possibilities that exist. Please feel free to call me on
