Dear Steve,

I wish to extend my appreciation and that of the Publications Staff for your valuable contribution during your summer assignment with FBIS.

Although the courier position is not much fun, it is essential that the material to be published gets to the right place, at the right time, and in the right order. Without your support it would have been extremely difficult to meet the publication deadlines.

We wish you much success in your studies, and hope that the coming year will be a pleasant one for you.

Sincerely,

STAT
